

ADD QUALIA TO YOUR NEXT BID

Interviews are deep but expensive. **Questionnaires** are cheap but shallow.

Qualia is our AI interviewer. Qualia can conduct conversational interviews with any number of respondents, in almost any language.

We find that respondents are on average more candid with Qualia than with a human interviewer. As with any data collection, some respondents drop off right at the start. But we find that once they start talking, they mostly can't stop (!), producing transcripts of multiple pages.
