

INTRO – AUTO-CODING WITH AI

CHAPTER CONTENTS.

📅 15 Oct 2025

Causal coding is fascinating but can take a lot of time. Using AI to help you is pretty easy, but there are still quite a few things to think about, as we will explain in this chapter.

PAGES IN THIS CHAPTER

📄 **A workflow for AI-assisted causal coding – from documents to defensible conclusions**

📄 **Different kinds of coding and recoding**
