

WHAT DRIVES GROUP LEARNING, PLI

📅 10 Mar 2023

2023-03-10

Summary

Causal Map was commissioned in March 2024 to analyse excerpts from thematic summaries made for each of 7 case studies about conditions that foster and hinder group learning in an international development setting, focusing on INGOs.

Filename: randy. Citation coverage 45%: 68 of 147 total citations and 6 of 7 total coded sources are shown here.
Numbers on factors show source count. Factor sizes show citation count. Darker factor colours show greater outcomeness.
Numbers on links show citation tally: source_id.
Zooming in to level 1 of the hierarchy. Auto clustering factors using label set 5. Top 11 factors by citation count. Showing only links with at least 1 sources.
